A. DEFINITIONS

1. "HP Software License Terms" means the terms and conditions hereunder which shall solely and exclusively apply to transactions for used systems as listed on the Software License Transfer Authorization - Exhibit F00, hereby incorporated and attached.
2. "License Fee" means the fee or fees designated by HP for Use of Software. Different License Fees may apply to particular Software if more than one Software License is available for that Software.
3. "Products" means hardware, Software, documentation, accessories, supplies, parts and upgrades that are determined by HP to be available from HP upon receipt of Customer's order. "Custom Products" means Products modified, designed or manufactured to meet Customer requirements.
4. "Software" means one or more programs capable of operating on a controller, processor or other hardware Product ("Device") and related documentation. Software is either a separate Product, included with another Product ("Bundled Software"), or fixed in a Device and not removable in normal operation ("Firmware").
5. "Software License" means the Software license grant and general license terms set forth herein. Each Software License has a corresponding License Fee.
6. "Use" means storing, loading, installing, executing, or displaying Software on a Device.

B. LICENSE GRANT

In the event of a conflict, the Third Party Suppliers terms that accompany the Software will take precedence over the "Use" restrictions and authorizations specified by HP and the terms set forth herein, and the "Use" restrictions and authorizations specified by HP will take precedence over the terms set forth herein.

2. Unless otherwise specified, in return for the applicable License Fee, HP grants Customer a license to Use one copy of the Software on one Device at any one time.
3. Unless otherwise specified, all Software Licenses will be perpetual unless terminated or transferred in accordance with Sub-Section 1.C.7.
4. If Customer is an HP authorized reseller, Customer may sublicense the Software to an end-user for its Use or (if applicable) sublicense the Software to an HP authorized reseller for subsequent distribution to an end-user for its Use. These sublicenses must incorporate the terms of this Software License in a written sublicense agreement, which will be made available to HP upon request. If Customer is not an HP authorized reseller, Customer may not sublicense the Software unless otherwise agreed to by HP in writing.

C. GENERAL LICENSE TERMS

1. Software is owned and copyrighted by HP or by Third Party Suppliers. Customer's Software License confers no title or ownership and is not a sale of any rights in the Software. Third Party Suppliers may protect their rights in the Software in the event of any infringement.
2. Unless otherwise permitted by HP, Customer may only make copies or adaptations of the Software for archival purposes or when copying or adaptation is an essential step in the authorized Use of the Software on a backup Device, provided that copies and adaptations are used in no other manner and provided further that the Use on the backup Device is discontinued when the original or replacement Device becomes operable.
3. Customer must reproduce all copyright notices in or on the original Software on all permitted copies or adaptations. Customer may not copy the Software onto any public or distributed network.
4. Bundled Software or Firmware provided to Customer may only be used when operating the associated Device in configurations as sold or subsequently upgraded by HP. Customer may transfer Firmware only upon transfer of the associated Device.
5. Updates, upgrades or other enhancements are available under HP Support agreements. HP reserves the right to require additional licenses and fees for Use of the Software on upgraded Devices.

EXHIBIT E36S

- 6. Customer will not modify, disassemble or decompile the Software without HP's prior written consent. Where Customer has other rights under statute, Customer will provide HP with reasonably detailed information regarding any intended disassembly or decompilation. Customer will not decrypt the Software unless necessary for legitimate use of the Software.
- 7. Customer's Software License is transferable subject to HP's prior written authorization and payment to HP of any applicable fee(s). Upon transfer of the Software License, Customer will immediately deliver all copies of the Software to the transferee. The transferee must agree in writing to the terms of Customer's Software License. All Software License terms will be binding on involuntary transferees, notice of which is hereby given. Customer's Software License will automatically terminate upon transfer.
- 8. HP may terminate Customer's or any transferee's or sublicensee's Software License upon notice for failure to comply with any applicable Software License terms. Immediately upon termination, the Software and all copies of the Software will be destroyed or returned to HP. Copies of the Software that are merged into adaptations, except for individual pieces of data in Customer's or transferee's or sublicensee's database, will be removed and destroyed or returned to HP. With HP's written consent, one copy of the Software may be retained subsequent to termination for archival purposes.
- 9. If the Software is licensed for use in the performance of a U.S. government prime contract or subcontract, Customer agrees that, consistent with FAR 12.211 and 12.212, commercial computer Software, computer Software documentation and technical data for commercial items are licensed under HP's standard commercial license, Exhibit E36S.

- 2. Customer who exports, re-exports or imports HP licensed Products, technology or technical data purchased hereunder, assumes responsibility for complying with applicable laws and regulations and for obtaining required export and import authorizations. HP may suspend performance if Customer is in violation of any applicable laws or regulations.
- 3. Disputes arising in connection with this Agreement will be governed by the laws of the country and locality in which HP accepts the order.
- 4. If any term or provision herein is determined to be illegal or unenforceable, the validity or enforceability of the remainder of the terms or provisions herein will remain in full force and effect.
- 5. Except as specifically provided in Sub-Section 1.B.1.b, these HP Software License Terms supersede any previous communications, representations or agreements between the parties, whether oral or written, regarding transactions for used systems as listed on the Software License Transfer Authorization - Exhibit F00.
