

Highlights

- Play your music, photos, and video from any Windows-based PC in your house on your HDTV^{1,2}
- Direct access to OnLine Media Services^{3,4}
- Integrated Windows Media Center Extender functionality⁵
- HP Pocket Media Drive bay⁶
- Built-in wired and wireless networking - IEEE 802.11a/b/g/n^{7,3}
- HDMI, Component video, and digital audio outputs
- Media playback from USB-based portable storage media

Set Your Media Free

The HP MediaSmart Connect makes every TV a MediaSmart TV. It connects to your HDTV and enables browsing of your entire library of digital photos, music, and HD video— even across multiple PCs^{1,2}.

Try Something New

Access thousands of the best and latest movies, TV shows, videos, and songs from online media^{3,4}. HP's simple interface enables you to search for movies, order them, and begin watching them moments after downloading has begun.

Automatic Media Aggregation

Unlike other receivers that allow you to access media from only one server at a time, HP MediaSmart Connect automatically aggregates and displays content from all connected-PCs or media servers in your home network¹.

Extender for Windows Media Center

Enjoy a full Microsoft Media Center Experience with a single click on your remote. Watch live or pre-recorded TV and access Microsoft's online services through the HP MediaSmart Connect⁵.

The Next Generation of Wireless Networking

Integrated 802.11a/b/g/n wireless networking^{7,3} enables the streaming of high-definition video while providing compatibility to existing Wi-Fi networks.

Extensive Digital Media Support⁸

Supports a variety of digital formats including:

- JPEG, BMP, GIF, and PNG photos
- Windows Media Audio (WMA), WMA-Pro, WAV, AAC (m4a), and MP3 music files
- MPEG-2 MP@ML, MPEG-2 MP@HL, MPEG-4 ASP, DivX®, Windows Media Video (WMV), H.264 (MP4), and WMV-HD video files

Support for Portable Mass Media

A built-in HP Pocket Media Drive bay and two USB ports allow direct access to your content stored in mass-storage media.⁸

HDTV Connectivity

HDMI, component, and analog and digital audio outputs provide simple connectivity to your HDTV and audio equipment.

Stylish Design

The MediaSmart Connect features a dramatic, piano-black, high gloss, exterior with an HP-exclusive "Zen" imprint pattern. Blends into the living room and adds elegance to any entertainment system.

Universal Remote

The HP MediaSmart Connect includes a universal remote control. Use it to access all your content, order movies, or control up to four more entertainment devices.

Service and support

HP stands behind its products and provides award-winning service and support available around the clock by phone, e-mail, and online.

HP Total Care offers expert assistance 24x7:

- Toll-free telephone support at 1.800.HP.INVENT (1.800.474.6836)
- E-mail support, usually answered within one hour.
- Rich on-line technical support, FAQs, troubleshooting, and downloads at www.hp.com/support.

Technical Specifications²**Connectivity**

Video Output	720p (60 Hz) 1080i
HDMI Out	1
Component Out	1

Weight	3.5 lbs

Visit www.hp.com for more details!

¹Media streaming requires PC with Microsoft Windows XP, SP2 or later or DLNA-compliant media server. Home network is required and sold separately.

²EDTV or HDTV that supports 1080i, 1080p, or 720p input is required.

³Internet use requires separately purchased Internet service. For wireless access, wireless access point may be required and not included.

⁴Downloaded content may require additional fees.

⁵Media Center Extender functionality requires PC with Windows Vista Home Premium or Ultimate. Accessing live TV functionality requires a PC with a TV tuner and live TV signal.

⁶HP pocket media drive is optional and not included.

⁷The specifications of the 802.11n WLAN are draft 2.0 specifications and not final. If the final specifications differ from the draft specifications it may affect the ability of this device to communicate with other 802.11n WLAN devices.

⁸This device supports the codec file formats listed herein, however HP cannot guarantee full compatibility or proper playback with all such codec files due to modifications and/or other variations that may occur with the end-user's encoded codec files. Certain file formats and/or features are not accessible from drives attached to the USB ports or the pocket media drive bay. Can't play protected iTunes.

Actual product may vary from image shown on datasheet. The information contained herein is subject to change without notice. The only warranties for HP products and services are set forth in the express warranty statements accompanying such products and services. Nothing shall be construed as constituting an additional warranty. HP shall not be liable for technical or editorial errors or omissions contained herein.
