

Trading Card Wrapper

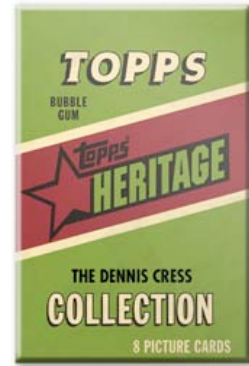

Package your cards with authentic Topps artwork.
(Pink gum not included)

Level of effort: easy

Average time: 10 minutes

What you'll need:

- HP Premium Inkjet Paper
- Scissors, or X-ACTO knife, metal ruler and cutting board

Instructions

1. Highlight and type over sample text where indicated.
2. Set your print quality to *Best* and print page 2 of this document (page 1 is the instruction page) on HP Premium Inkjet Paper.
3. Fold where indicated around your personalized Topps trading cards.

Note: Always make a test print on plain paper before printing on specialty paper. These instructions are written for a front-loading HP inkjet printer. If your output is not coming out correctly, please consult your printer manual.
