

Point of Sale Cash Drawer

A space-saving, heavy duty design provides reliable performance even in the most demanding retail environments.

Durability for a long service life

The HP Cash Drawer is designed with exceptional components and heavy gauge steel construction ensuring long life with proven durability. Rest assured your equipment will perform when you need it most, the HP Cash Drawer is designed for 4 million cycles and backed by a limited 3 year warranty.

Efficient, and secure design

Speed transactions and help reduce shrinkage with the automated drawer operation and smartly designed currency organization. Designed around a full-sized till insert, the HP Cash Drawer has a narrow footprint, minimizing the amount of counter space required. With its space-saving design, the HP Cash Drawer does not compromise efficiency; it actually improves upon it, increasing the effectiveness of the Point of Sale hardware solution.

- Ample storage in a deep under-till compartment holds coin rolls and packaged bills which saves time when replenishing cash during shifts
- Adjustable media slot divider allows sales associates to conveniently insert checks, coupons, charge slips and other media into different sections as they are received, saving time organizing media at the end of their shift.

- Receipt printer interface allows the HP Cash Drawer to connect directly to the HP Thermal Receipt or Hybrid MICR Printers.
- Heavy duty latch mechanism provides for a perfect balance between ease of operation and robust construction.
- Four-function lock offering several levels of security: locked closed, locked open, online, and manual open.
- Sturdy steel, durable till insert and a resilient powder coated finish are able to resist the toughest of store environments.
- Robust engineered drawer suspension guarantees seamless performance; industrial-grade steel ball bearing slides ensures effortless performance and durability
