HP recommends Windows Vista® Business.

LightScribe technology lets you burn custom, silkscreen-quality text and images directly onto LightScribe-enabled CDs and DVDs.

Award Winning Service and Support

The perfect PC for photos, video and music

HP Pavilion desktop PCs include a variety of features that make taking and sharing digital pictures easier than ever. As you would expect from the leader in consumer PCs and PhotoSmart printers, every HP Pavilion PC gives you the tools to make working with digital photos and video clips fun and convenient.

- Organize, edit, share and protect your digital photos with HP Photosmart Essential.[10]
- The front-panel 15-in-1 memory card reader [25] makes it easy to transfer photos and files to and from your digital camera and other peripheral devices.
- HP Pavilion PC's feature the exclusive Pocket Media Drive bay[22] that allows you to add instant storage. The Pocket Media Drive[22] also works with any USB enabled PC.
- The SuperMulti DVD burner with LightScribe technology lets you create custom, silkscreen-quality labels and artwork directly onto LightScribe-enabled CD and DVD discs.[6]

The world's favorite PC

HP computers are designed to perform and built to last; that's why we're the world leader in consumer PCs. HP has sold more than 60 million consumer PCs since 1998—more than any competitor—and won more PC Magazine Editors' Choice Awards than any other company. [26]

Capability meets possibility

 The Windows Vista® Home Premium operating system[1] is the preferred edition for home desktop PCs. With extensive digital entertainment features, expanded search capabilities and the fluid, three-dimensional Windows Aero™ user interface, it provides a truly extraordinary user experience.
Service and support

HP stands behind our products and protects your investment with award-winning service and support available around the clock by phone, e-mail, and online.[10]

- HP Total Care offers expert assistance 24 x 7:
  - Toll-free telephone support at 1.800.HP.INVENT (1.800.474.6836) in English and Spanish in the United States or English and French in Canada.
  - Real-time online chat.
  - E-mail, usually answered within one hour.
- A desktop icon offers one-click access to online technical support, troubleshooting and downloads.
