

## HP Color LaserJet Enterprise CP4020 Printer Series

### Overview

Experience high-end performance features and professional color prints – all packed in a reliable, easy-to-use laser printer designed to keep small workgroups productive. The HP Color LaserJet Enterprise CP4020 Printer series, including the CP4025, is ideal for IT-managed small and medium (SMB) and enterprise small workgroups that need a network-ready laser printer for efficient color printing. This easy-to-manage color LaserJet offers low operating costs, fast throughput, legendary reliability and professional print quality.

The HP Color LaserJet Enterprise CP4020 Printer series offers a full slate of performance features in a small workgroup color printer, to help companies make the most of their investment. Easy paper handling and simplified controls allow end-users to operate with ease and efficiency. The four-line color control panel with auto-navigational help allows casual users to instinctively operate independently from IT, thereby boosting productivity throughout the office. In addition, the improved HP Universal Print Driver makes printing with color easy and efficient. HP EasyColor improves the rendering of color images, so users can rely on consistent color print quality in every print.<sup>(1)</sup> The HP Color LaserJet Enterprise CP4020 Printer series is the printing solution for dynamic business printing needs.

### Key features and benefits

- Optimize printing infrastructure with color and black-and-white printing speeds up to 35 pages per minute (ppm) in best print quality default mode.
- With HP Instant-on Technology, first page out prints in as fast as 9.5 seconds from Sleep mode,<sup>(2)</sup> and users capture up to 50 percent energy savings over competitive laser products.<sup>(3)</sup>
- Easily share the robust color printer across large work groups with 10/100/1000 networking, while managing color printing usage with award-winning HP color access controls.<sup>(4)</sup>
- Reduce installation and setup time with preinstalled Original HP toner cartridges.
- Produce documents efficiently with automatic two-sided printing and a paper capacity of 600 sheets – expandable to 1,100 sheets.<sup>(4)</sup>
- Process complex documents quickly without sacrificing performance with an 800 MHz processor and 512 MB standard memory.
- Produce professional color documents consistently. HP ImageREt 3600 provides professional, accurate color. Capability of up to 1,200 x 1,200 dpi delivers finer
