

## ProBook 4520s Notebook PC Business Style

Stylish affordability. Choose from two sophisticated colors in a 15.6-inch diagonal notebook with security and productivity features to help your business.

Windows®. Life without Walls™. HP recommends Windows 7.

---

### **Stylish design and out of box productivity**

Powered by Intel processors, the HP ProBook 4520s offers refined simplicity in an affordable package. The brushed aluminum finish, available in caviar or bordeaux colors, combines good looks with durability, and includes software such as Face Recognition for easy log-in, and Corel Home Office<sup>23</sup> for office productivity.

### **Advanced multimedia support**

Advanced multimedia support includes a choice of discrete graphics featuring the ATI Mobility Radeon™ dedicated video memory. Additionally, the notebook comes loaded with the new ArcSoft TotalMedia Suite that allows you to play, edit and create video and audio files. New “multi-media controls” for video control such as play, rewind, fast-forward are now integrated into keyboard, simplifying work with video and audio files. And experience life in high-definition<sup>7</sup> with the HDMI port that allows you to connect directly to high-definition displays.

### **HP Professional Innovations help you focus on your business**

*Built to conserve.* HP Power Assistant<sup>22</sup> lets you take control with total visibility over your notebook PCs reported power

consumption! This easy-to-use tool allows you to conserve power, stretch battery run-time, accurately monitor your reported power needs and report workforce power consumption.

*Built to simplify.* HP QuickLook 3<sup>12</sup> provides read and write capability of email, calendar, task and contact information in seconds at the touch of a button, without having to boot up. And HP QuickWeb<sup>13</sup> grants access to the web in seconds... even if your notebook is turned off.

*Built to protect.* The new spill-resistant keyboard with drains helps protect sensitive electronics and key components from minor spills. And HP 3D DriveGuard helps protect your notebook's hard drive against impact or drops using a three-axis accelerometer which detects any sudden movement and initiates protective action, so your critical information is protected.

---

THE COMPUTER  
IS PERSONAL  
AGAIN.

# ProBook 4520s Notebook PC

Windows®. Life without Walls™.

HP recommends Windows 7.

## SPECIFICATIONS

<b>Operating system</b>	<p>Preinstalled:</p> <ul style="list-style-type: none"> <li>Genuine Windows® 7 Professional 32<sup>1</sup></li> <li>Genuine Windows XP Professional available through downgrade rights from Windows 7 Professional 32<sup>1,3</sup></li> <li>Genuine Windows® 7 Home Premium 32<sup>1</sup></li> <li>Genuine Windows® 7 Home Basic 32<sup>1</sup></li> <li>Genuine Windows® 7 Starter 32<sup>1</sup></li> <li>Genuine Windows Vista® Business 32<sup>2</sup></li> <li>Genuine Windows Vista® Home Basic 32<sup>2</sup></li> <li>SUSE Linux Enterprise Desktop 11</li> <li>FreeDOS</li> <li>Red Flag Linux (PRC only)</li> </ul>	<p>Supported:</p> <ul style="list-style-type: none"> <li>Genuine Windows 7 Professional 64<sup>1</sup></li> </ul> <p>Certified:</p> <ul style="list-style-type: none"> <li>SUSE Linux Enterprise Desktop 11</li> </ul>
<b>Processor<sup>4</sup></b>	Intel® Core™ i7 Mobile Processor Family with Turbo Boost Technology; <sup>26</sup> Intel® Core™ i5 Mobile Processor Family with Turbo Boost Technology; <sup>26</sup> Intel® Core™ i3 Mobile Processor Family	
<b>Chipset</b>	Mobile Intel HM57 Chipset	
<b>Memory</b>	DDR3 SDRAM, 1066/1333 MHz,* two slots supporting dual channel memory, <sup>14</sup> 1024/2048/4096 MB SODIMMs, up to 8192 MB total <sup>15</sup> * Memory speed is processor dependent	
<b>Internal Storage<sup>16</sup></b>	SATA hard drive: 250/320/500 GB 7200 rpm, with HP 3D DriveGuard	
<b>Removable Storage</b>	Fixed 12.7-mm SATA optical drive: Blu-ray ROM DVD+/-RW SuperMulti DL LightScribe Drive, <sup>6</sup> DVD+/-RW SuperMulti DL LightScribe Drive, <sup>5</sup> DVD-ROM Drive <sup>5</sup>	
<b>Display</b>	15.6-inch diagonal LED-backlit HD <sup>7</sup> (1366 x 768), 15.6-inch diagonal LED-backlit HD <sup>7</sup> (1366 x 768) BrightView	
<b>Graphics<sup>10</sup></b>	Integrated: Intel HD Graphics; Discrete: ATI Mobility Radeon™ HD 4350, with 512 MB dedicated video memory (1024 MB HyperMemory*)*Indicates dedicated video memory and shared system memory.	
<b>Audio/Visual</b>	High Definition Audio, stereo speakers, stereo headphone/line out, stereo microphone in, integrated digital microphone; optional integrated 2 MP webcam <sup>19</sup>	
<b>Wireless Support</b>	Optional HP un2450 EV-DO/HSPA Mobile Broadband Module 2.0* with GPS support (requires mobile network operator service) <sup>9, 19, 24, 27</sup> with HP Connection Manager 3.1; 802.11 a/b/g/n, b/g, b/g/n; <sup>8</sup> Bluetooth™ 2.1, HP Wireless Assistant * Available with integrated graphics only	
<b>Communications<sup>17</sup></b>	Realtek Ethernet (10/100/1000 NIC), optional 56K v.92 modem	
<b>Expansion Slots</b>	(1) ExpressCard/34 slot, Media Card Reader	
<b>Ports and Connectors</b>	(3) USB 2.0 ports, (1) eSATA/USB 2.0 combo port, VGA, HDMI, stereo microphone in, stereo headphone/line out, power connector, RJ-11/modem, RJ-45/ethernet	
<b>Input Device</b>	Full-sized keyboard with separate numeric keypad, ClickPad with Gestures support (gestures not available for Linux and FreeDos)	
<b>Software</b>	HP Recovery Manager, HP QuickLook 3, <sup>12</sup> HP QuickWeb, <sup>13</sup> HP DayStarter, HP Power Assistant, <sup>22</sup> HP SoftPaq Download Manager, ArcSoft TotalMedia Suite, Skype, <sup>21</sup> WinZip, Corel Home Office <sup>23</sup>	
<b>Security</b>	HP ProtectTools, Optional HP Fingerprint Sensor, Device Access Manager, Enhanced Pre-Boot Security, HP Spare Key, <sup>25</sup> HP Disk Sanitizer, <sup>11</sup> Face Recognition for HP ProtectTools, Drive Encryption for HP ProtectTools, Credential Manager for HP ProtectTools, File Sanitizer for HP ProtectTools, <sup>11</sup> Kensington Lock slot, McAfee Security Solution <sup>20</sup>	
<b>Dimensions</b>	1.09 (at front) x 14.64 x 9.83 in / 27.7 (at front) x 371.8 x 249.6 mm	
<b>Weight</b>	Starting at: 5.5 lb / 2.52 kg ( or 5.26 lb / 2.39 kg with no optical drive; weight will vary by configuration)	
<b>Power</b>	6-cell (47Whr) Lithium-Ion battery, 9-cell (93Whr) Lithium-Ion battery, 90W HP Smart AC Adapter (discrete graphics), 65W HP Smart AC Adapter (integrated graphics), HP Fast Charge <sup>18</sup>	
<b>Expansion Solutions<sup>19</sup></b>	HP USB 2.0 Docking Station, HP Essential USB Port Replicator, HP Basic Adjustable Stand	
<b>Warranty</b>	Limited 1-year and 90-day warranty options available, depending on country, 1-year limited warranty on primary battery. Optional HP Care Pack Services are extended service contracts which go beyond your standard warranties. Gestures support

1. This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See <http://www.microsoft.com/windows/windows-7/> for details.
2. Certain Windows Vista product features require advanced or additional hardware. See [www.microsoft.com/windowsvista/getready/hardwarereqs.mspx](http://www.microsoft.com/windowsvista/getready/hardwarereqs.mspx) and [www.microsoft.com/windowsvista/getready/capable.mspx](http://www.microsoft.com/windowsvista/getready/capable.mspx) for details. Windows Vista Upgrade Advisor can help you determine which features of Windows Vista will run on your computer. To download the tool, visit [www.windowsvista.com/upgradeadvisor](http://www.windowsvista.com/upgradeadvisor).
3. Windows® XP Professional is preinstalled on this system and includes end user rights and media for Windows 7 Professional. You may only use one version at a time. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
4. Dual/Quad Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
5. Double-layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. LightScribe media required and sold separately. LightScribe creates a monochrome image. Note that DVD-RAM cannot read or write to 2.6GB single-sided/5.2 GB double-sided – version 1.0 media. Don't copy copy-right protected materials.
6. As Blu-Ray is a new format containing new technologies, certain disc, digital connection, compatibility and/or performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. HD-DVD movies cannot be played on this device. Models with integrated graphics require Windows 7 or Vista to support the Blu-Ray DVD drive; models with discrete graphics support it with either Windows 7, Windows Vista or Windows XP.
7. HD content required to view HD images.
8. Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
9. Gobi wireless technology requires separately purchased wireless data service contracts. Check with local service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors.
10. Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by programs.
11. For the use cases outlined in the DOD 5220.22-M Supplement.
12. HP QuickLook 3 is accessible when the notebook is off in Windows XP, Windows Vista or Windows 7-based systems; not supported from hibernation. Timing may vary depending on the system configuration. To enable the feature following the removal of the battery, reboot the notebook prior to subsequent use.
13. HP QuickWeb is accessible when the notebook is off in Windows XP, Windows Vista or Windows 7-based systems; not supported from hibernation. Internet access required. Timing may vary depending on the system configuration. To enable the feature following the removal of the battery, reboot the notebook prior to subsequent use.
14. Maximized dual-channel performance requires SODIMMs of the same size and speed in both memory slots.
15. Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
16. For hard drives, GB = 1 billion bytes. Up to 8 GB (for XP), 10 GB (for Vista) or 15 GB (for Windows 7) of system disk is reserved for the system recovery software.
17. The term "10/100/1000" or "Gigabit" Ethernet indicates compliance with IEEE standard 802.3ab for Gigabit Ethernet, and does not connote actual operating speed of 1 Gb/sec. For high speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.
18. HP Fast Charge recharges your primary battery up to 90% within 90 minutes when the system is off. Fast Charge Technology does not apply to 9 cell primary battery.
19. Sold separately or purchased as an optional feature.
20. 60 day trial period. Internet access required to receive updates. First update included. Subscription required for updates.
21. Internet access required.
22. Power calculations and cost calculations are estimates. Results will vary based on variables, which include information provided by the user, time PC is in different power states (on, standby, hibernate, off), time PC is on battery or AC, hardware configuration, variable electricity rates and utilities provider. HP advises customers to use information reported by HP Power Assistant for reference only and to validate impact in their environment. Environmental calculations were based on U.S. EPA eGrid 2007 data found at [www.epa.gov/egrid/](http://www.epa.gov/egrid/). Regional results will vary.
23. Corel Home Office 60-day trial version included. Functionality is limited afterwards. Full version requires purchase.
24. WWAN available on systems configured with integrated graphics only.
25. Requires initial user setup.
26. Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See [www.intel.com/technology/turboboost](http://www.intel.com/technology/turboboost) for more information.
27. GPS access requires an unobstructed path to multiple satellites. Performance may be affected if/when used inside of buildings, bridges or heavily congested metropolitan areas. Requires separately purchased GPS navigation software available from multiple GPS applications.
