

Risk-Free Care Pack Rebate

Flyer and Rebate Form

For select HP Notebooks and Desktops

HP Care Pack Services Risk-Free rebate allows you to claim a rebate for the price paid for the Care Pack if no service event occurred after the purchase date of the Care Pack. *

Note: Please refer to your Risk-Free rebate form at time of purchase as the program dates and conditions may have changed.

How it works

1. Purchase

Eligible Care Pack Services during promotional period from HP. Care Pack must be purchased within 1 year of the purchase date of the HP device that it covers.

2. Submit

- A completed copy of the original claim form that is received within 90 days after expiration of the HP Care Pack Service.
- A copy of each original invoice/receipt or "HP Care Pack Services - Receipt for Payment." The name on the invoice must match the name on the claim form.

3. Receive

Please allow 6–8 weeks from the time the claim is received by HP to receive your rebate payment. Does not include sales or similar taxes. If terms and conditions are not met, rebate will not be sent. HP is not responsible for any claims lost, damaged, or delayed in transit. Rebate payments are void if not cashed within 90 days of issuance and cannot be reissued.

Eligibility

The eligible products must not have had a service event from the purchase date of the care pack until the end of the Care pack coverage period. A service event will have occurred if HP either sends parts, a replacement or a person onsite to the customer or if the product is transported to an HP repair depot. A phone call, phone support, or chat support is not a service event. Maximum ten (10) rebates per customer, business address, location and/or household not to exceed \$3500 in the currency purchased. Care Pack must be purchased within 6 months of the purchase date of the device that it covers. This offer is only applicable for HP PC Care Packs purchased within the US and Canada.
